Caroline

This is
one sweet
teen who
knows what
she likes!

Even though I've only fucked twice, I'm way into it! I just love the way it feels when my boyfriend slips his cock right into my tight little hole! That one split-second moment where the tip

of his head is just getting through my wet pink slit is the absolute best feeling in the world! Then, when it gets all the way in and my cunny is totally full of his meat and all I want to do is cum, that's when I'm a happy girl!

Panty Raid

FIRST TIME CREAM PIE!

I couldn't believe that I was completely undressed in Greg's bedroom, and I really couldn't believe that I was sucking his cock, either! Added to that, I was totally digging his fingers and tongue plunging in and out of my pussy as we were doing this awesome 69! What was real surprising, was how connected we were, and I'm not just talking about the connection we had with our sex parts—I'm talking about our mental connection!

See, Greg and I had been dating for a while, and yeah, we fooled around a lot, and yeah, he broke my cherry, but he was totally wearing a condom! But lately, I'd been on the pill, so we could enjoy each other without the rubber!

Anyway, it was during this super sloppy 69 that I first wanted him to cum inside me. With every thrust of his finger and every lap of his tongue, gently

slurping up my girlie goo, I was getting hornier and hornier! In fact, I was so horny that I was sucking on his hot meat while massaging his balls, just waiting for him to explode in my mouth. The thing is, and this where the connection comes in, Greg and I must have had telepathy at that moment or something, 'cause in mid-lick, he popped his glazed face up and asked if he could fuck me. I, in mid-suck, mumbled an affirmative, "Mm-hmm!" and popped his cock out of my hot mouth.

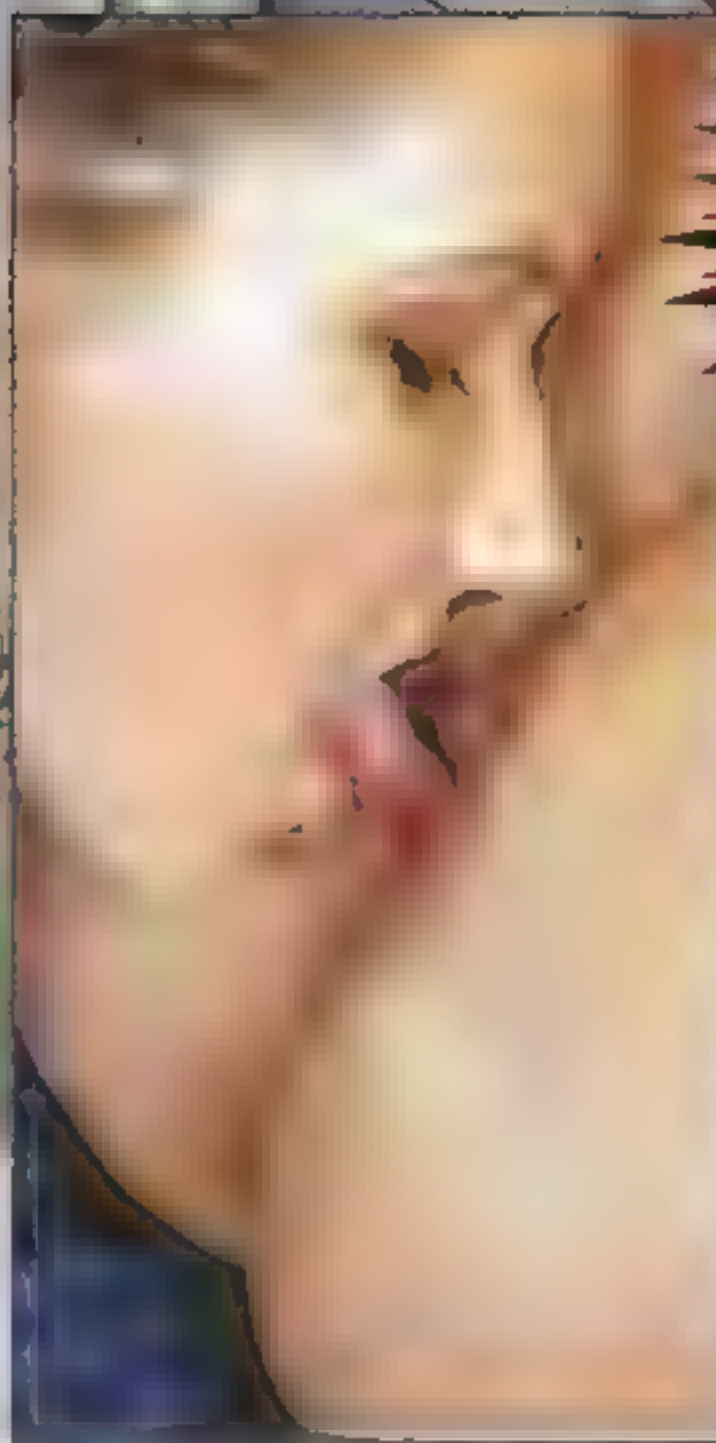

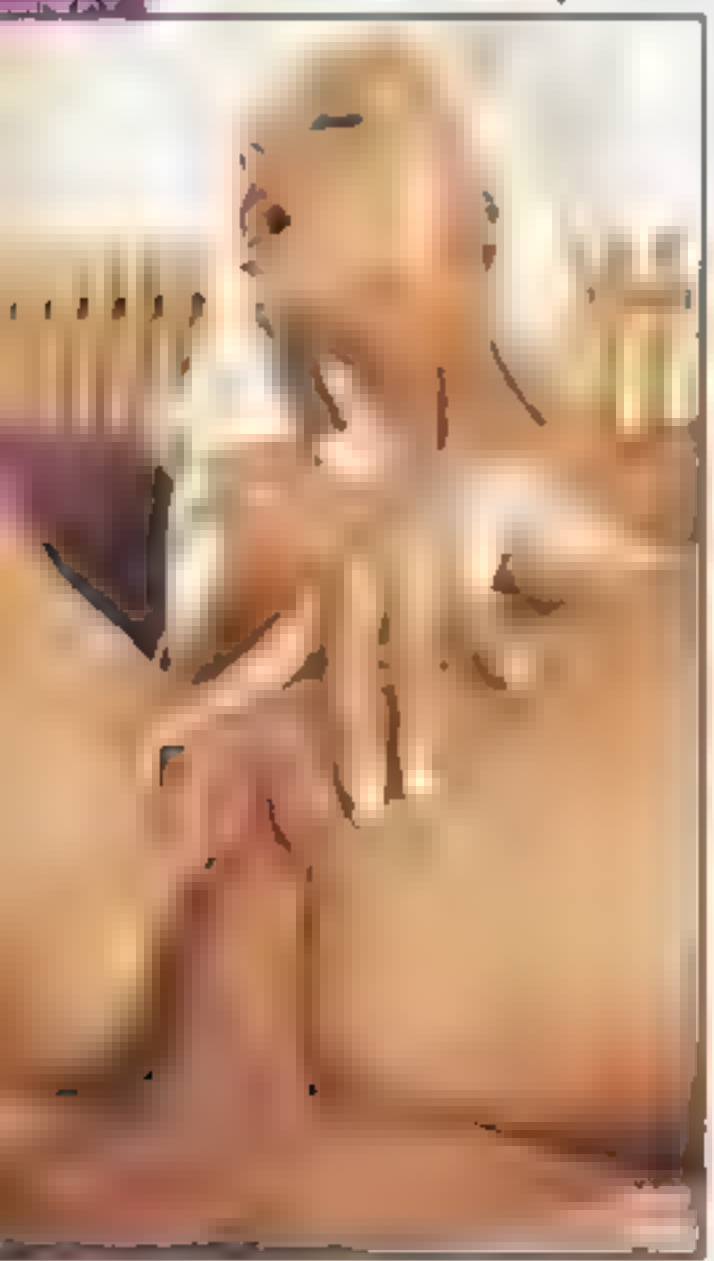

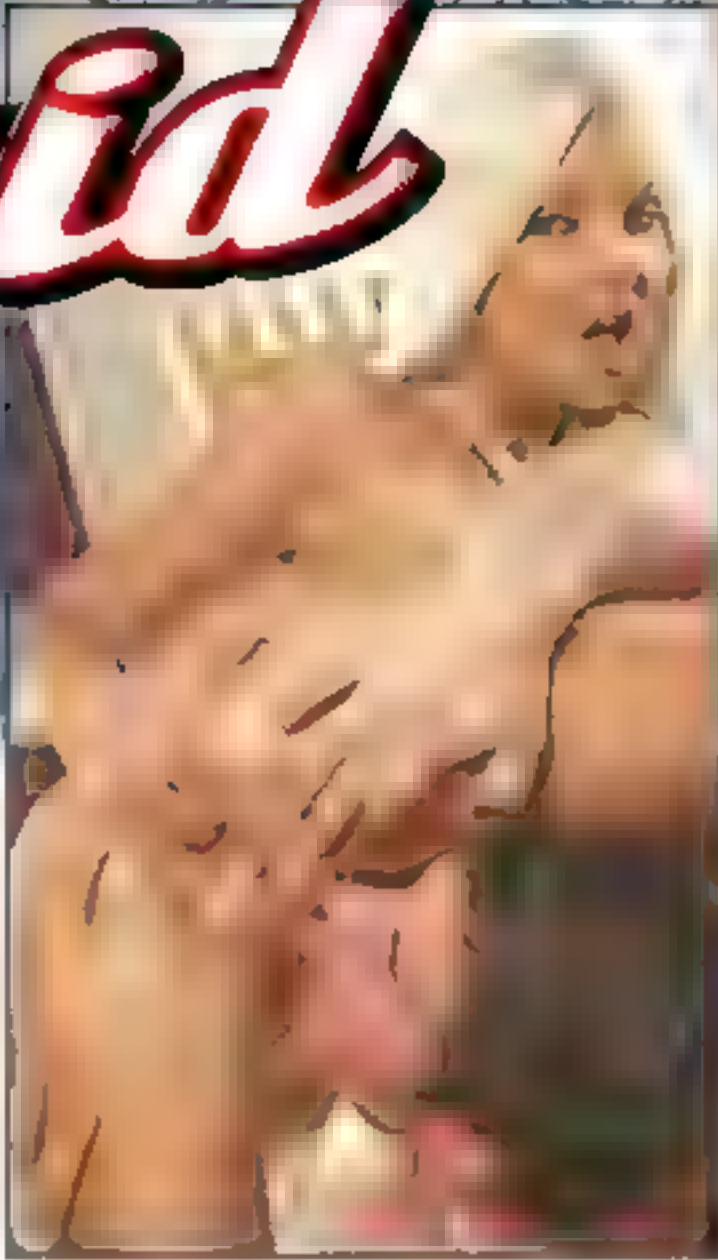

Greg turned around and took his saliva soaked tool and shoved it straight into my spit-shined slit, getting his entire length in me in one shot! I thought I was going to scream 'cause it was so tight, but I couldn't say anything! It felt too fucking good!

When he wore the condom, it felt good, but with him all natural, it was the best feeling ever! I actually felt his hot cock skin slamming in and out of me! That's way better than any rubber!

We were both really into it, and when Greg grabbed my tits with one hand and my hips the other—I have no idea how he did that! —I was pretty sure I was going to cum in about two

minutes! With each pump, I could feel Greg getting closer and closer to spewing inside me. I could feel my pussy building up to the biggest orgasm I ever had. Finally, I said, "Cum inside of me, baby!" And with that, I felt Greg tense up and groan as he dropped every little bit of his jizz deep inside my tight little pussy! Just a second later, my tummy started to shake and my pussy was exploding, too! I came like I never did before! When I got up, some of his load came out of me, but I thought it was totally cool! It's like, without the rubber and letting Greg cum inside me, I really got fucked for the first time!

SABRINA SLIT LICKER!

Every girl at school knows I'm bisexual. Most of them are cool with it, but some of them are fucking assholes about it. The a-holes call me "Sabrina Slit Licker" and I would love to teach them a lesson! Of course, that would be the case if I gave a shit what they thought. I don't care about them at all; I only care about Michelle, my super hot lover!

She became bisexual

thanks to me, and that's how the whole "Slit Licker" name came about.

Alright, so, at the start of the second semester of senior year Michelle and I were in the locker room and undressing for gym class. For months, I noticed that she had an awesome pair of boobs and every time I had to ask her something, I made sure it was when she was taking her bra off. Anyway, this one day, Michelle picked up on my advances and soon we were both flirting with each other. I don't remember who said what, but what I do remember was her saying that we should cut gym and stay in there, so that's what we did. All the other girls ran up to the gym to go running or whatever and Michelle and I stayed back, hiding in the shower.

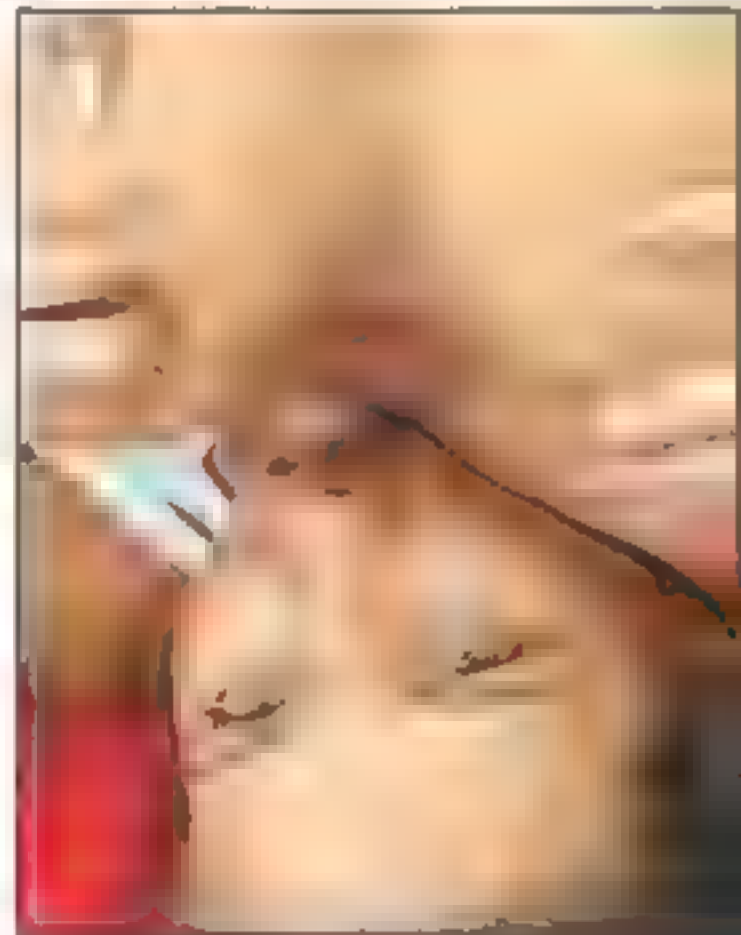

We giggled for a minute, then locked eyes and started totally making out! Her skin was super soft and her tits were absolutely perfect! Her nipples got all hard and I knew I just had to go down on her dripping wet pussy!

My fingers made their way down her panties and when I realized there wasn't going to be any resistance, my mouth made a quick beeline to her little slit. The familiar scent of pussy surrounded me as I totally licked every fold of her quivering tight snatch. I wanted to stick all my fingers in her, but I also didn't want to scare her. So, I kept lapping away at her little vag, like a thirsty kitten.

To my surprise, Michelle ordered me to finger-fuck her, so I did with great excitement! Boy, were my fingers soaked going in and out of that wet little thing! I felt her pussy start to tighten up, so I licked her clit, just hoping to throw her over the edge.

It worked! Michelle started to scream, but then muffled herself with her hand, as I kept working her cunt with my hands and mouth. She came super hard, and within a minute she got her shorts back up and was going to return the favor, but just then, two of the other girls came in and saw my girl cum covered face! They came right up to me, took a whiff, and knew exactly what we had been doing! Since they were too stupid to come up with a name for Michelle, they immediately called me, "Sabrina Slit Licker" and just designated her as a total lesbo, never to be talked to again. The thing is, every time we fuck, we laugh ourselves crazy about how much fun those dumb bitches are missing!

A man and a woman are shown in a romantic embrace on a beach. The woman, with long blonde hair, is wearing a red strapless tube top and light blue shorts. She has her eyes closed and a content expression. The man, with dark hair, is wearing a grey t-shirt and is leaning in to kiss her on the cheek. The background shows a sandy beach, some greenery, and a clear blue sky. The overall style is that of a comic book or a stylized photograph with a thick black outline around the characters.

Tera & Nick

Tera has just started with this whole sex thing, but she sure is good at it!

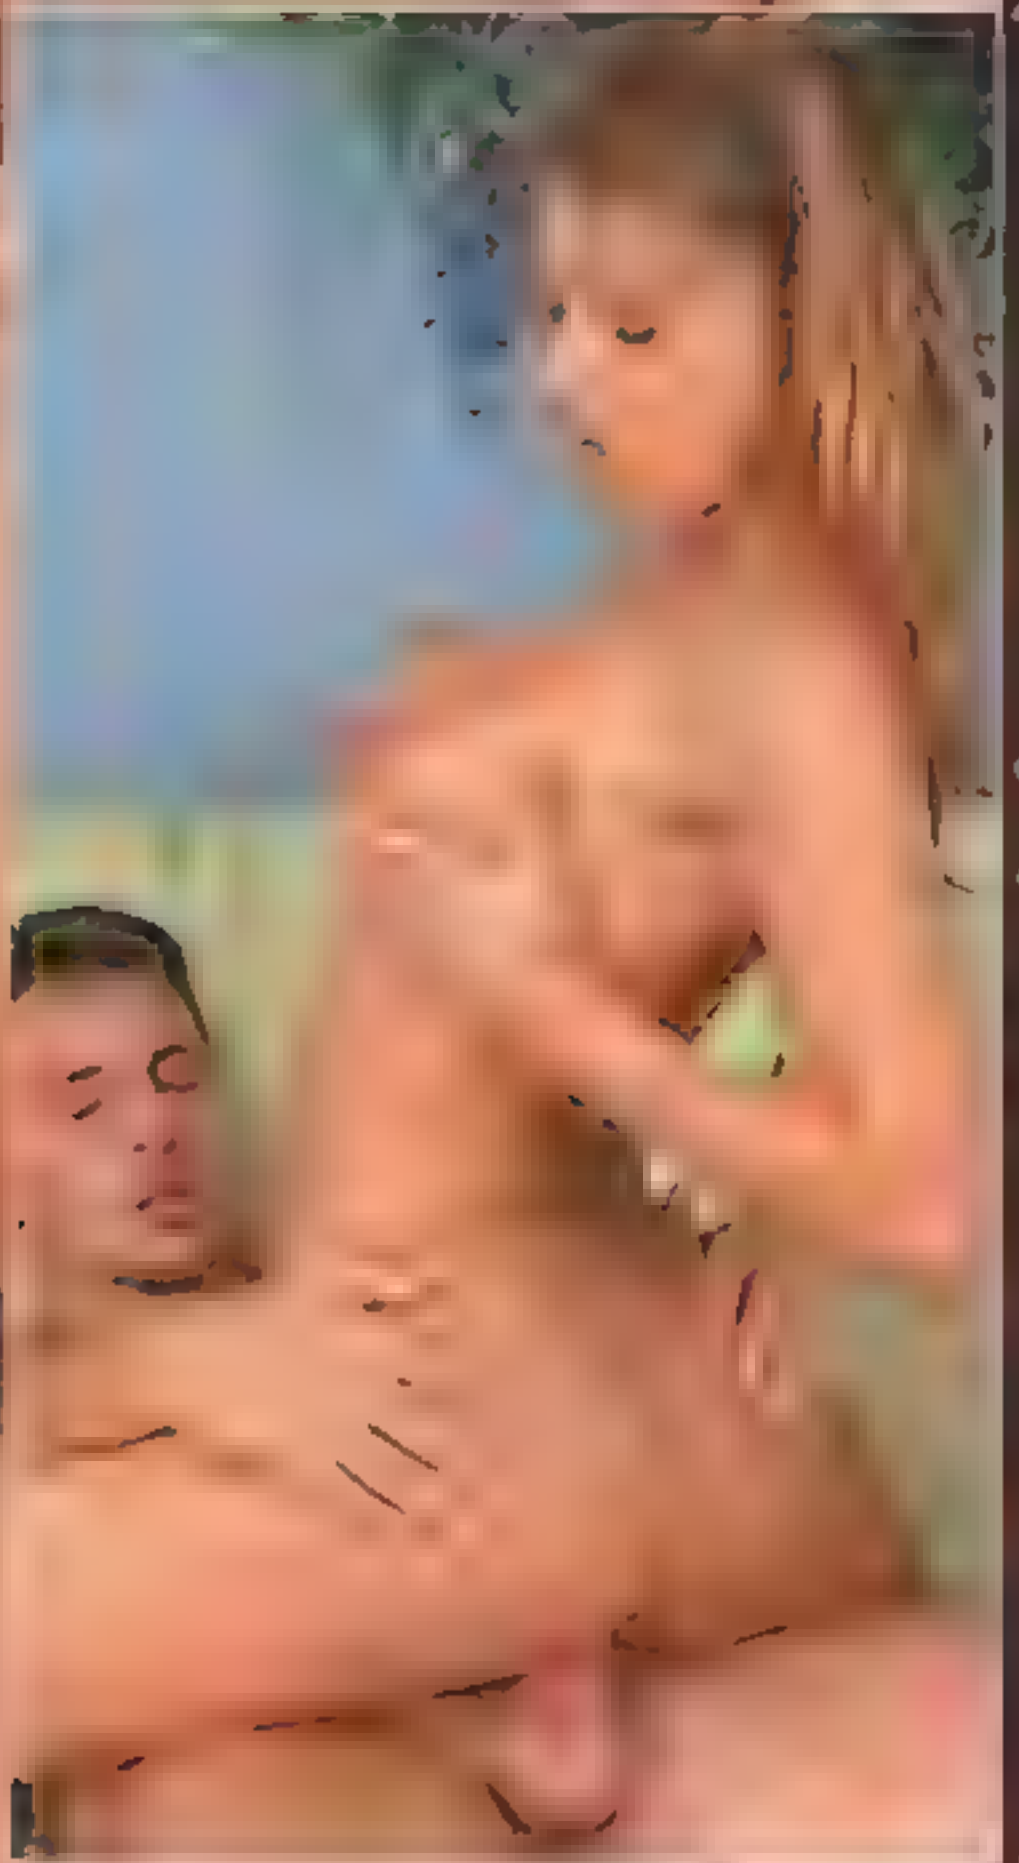

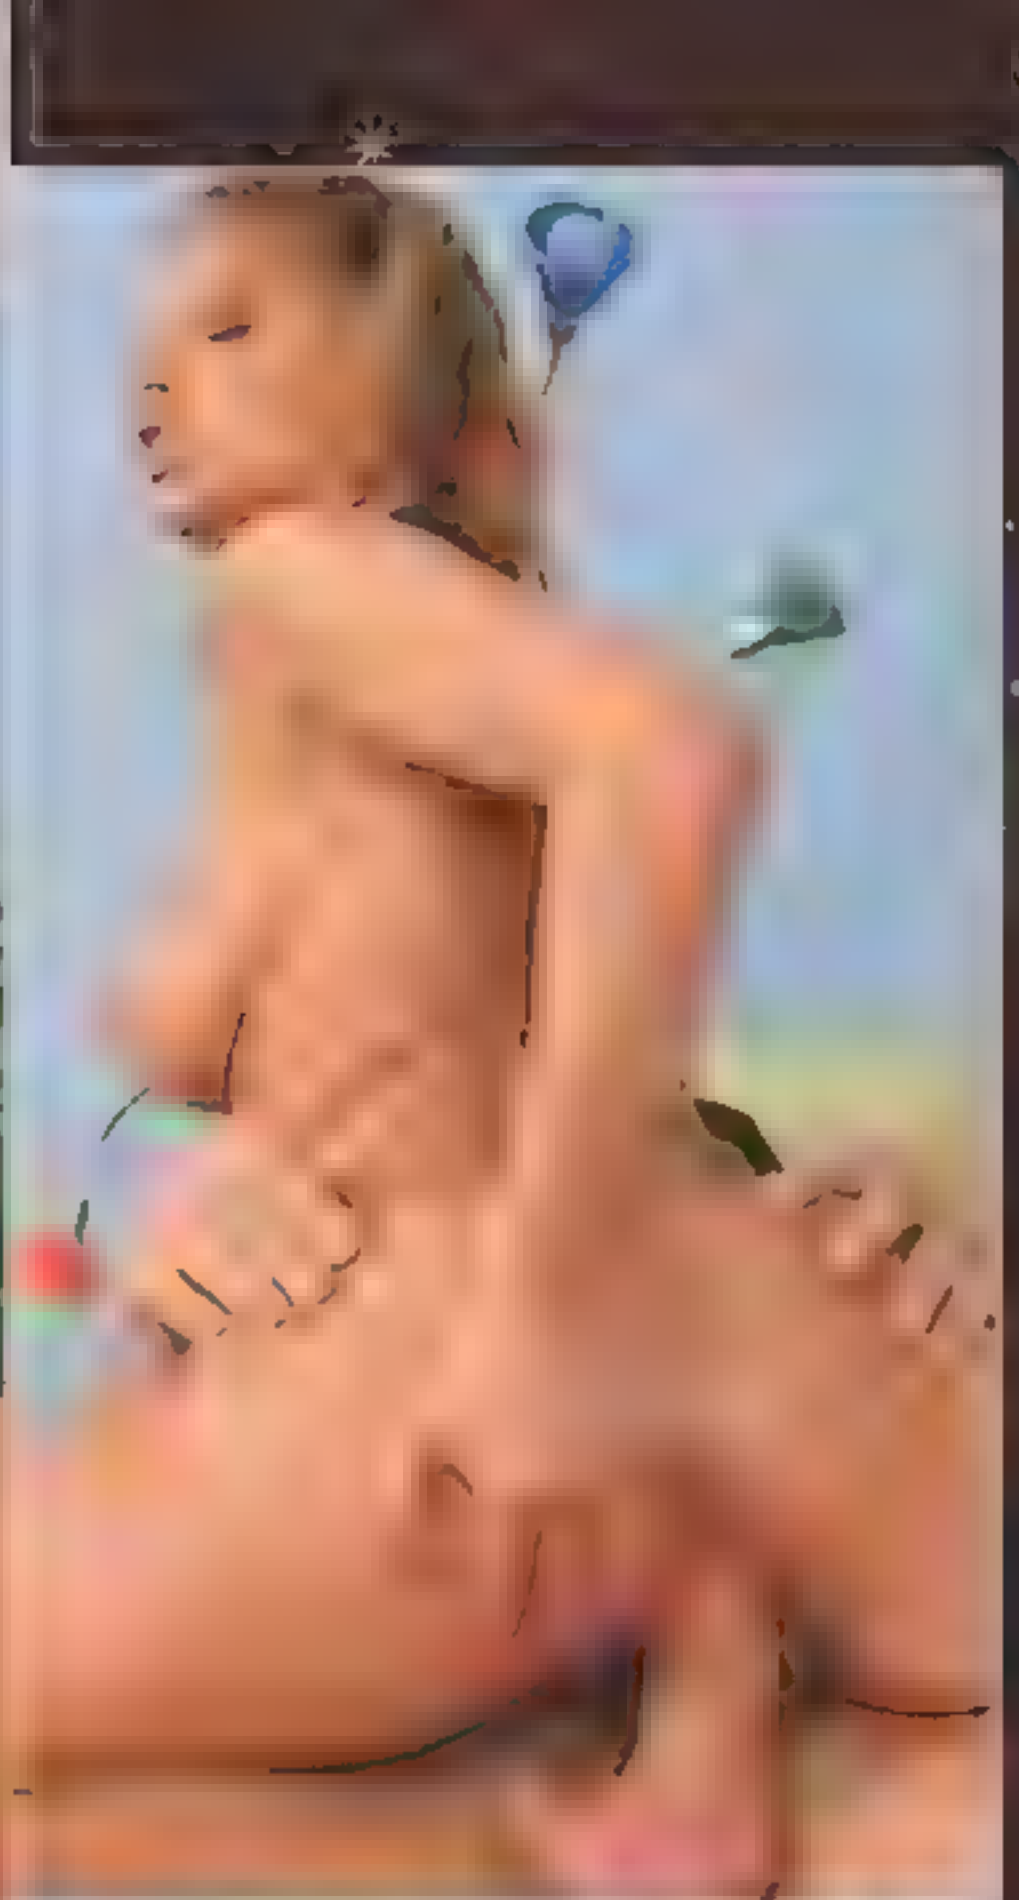

Not long after the 1970s, when the first AIDS cases were reported, the medical community began to look for a link between the disease and the use of intravenous drugs. At the time, many people were using needles to inject drugs, and it was believed that the virus could be transmitted through the blood. This led to the development of safer injection practices, such as using clean needles and syringes, and the establishment of needle exchange programs. These programs provided people with clean needles and syringes in exchange for their used ones, helping to reduce the risk of infection. However, the stigma associated with intravenous drug use often made it difficult for people to seek help. Many people felt ashamed or judged, and they were often treated with suspicion by healthcare providers. This made it even harder for them to get the care they needed. Over time, as more people became aware of the risks and the importance of safe injection practices, the use of clean needles and syringes became more widespread. This helped to reduce the number of new AIDS cases caused by intravenous drug use. Today, needle exchange programs are still an important part of HIV prevention efforts, and they continue to play a role in reducing the risk of infection for people who inject drugs.

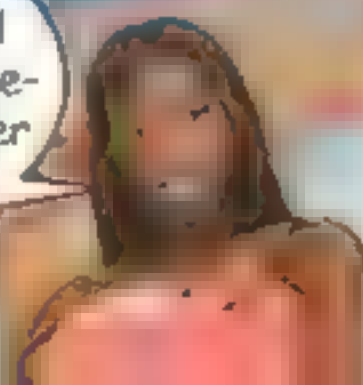

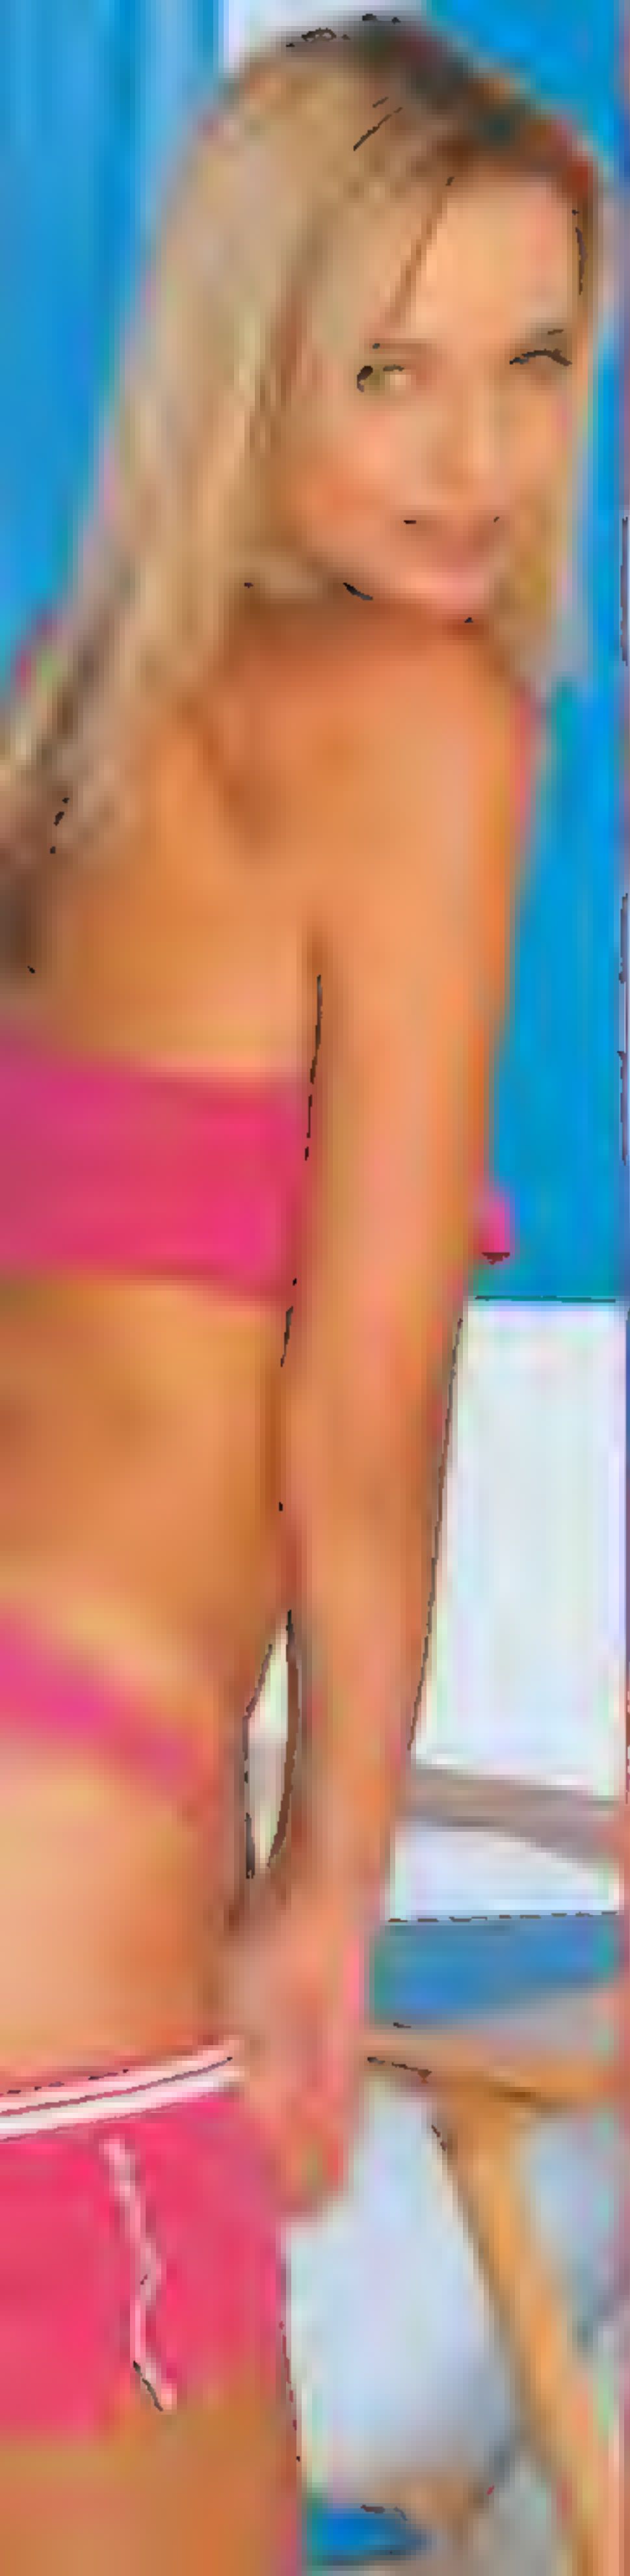

A blonde woman with long hair, wearing a pink volleyball uniform, is holding a white volleyball. She is smiling and looking towards the camera. The background is a blue wall with a white door.

Laura

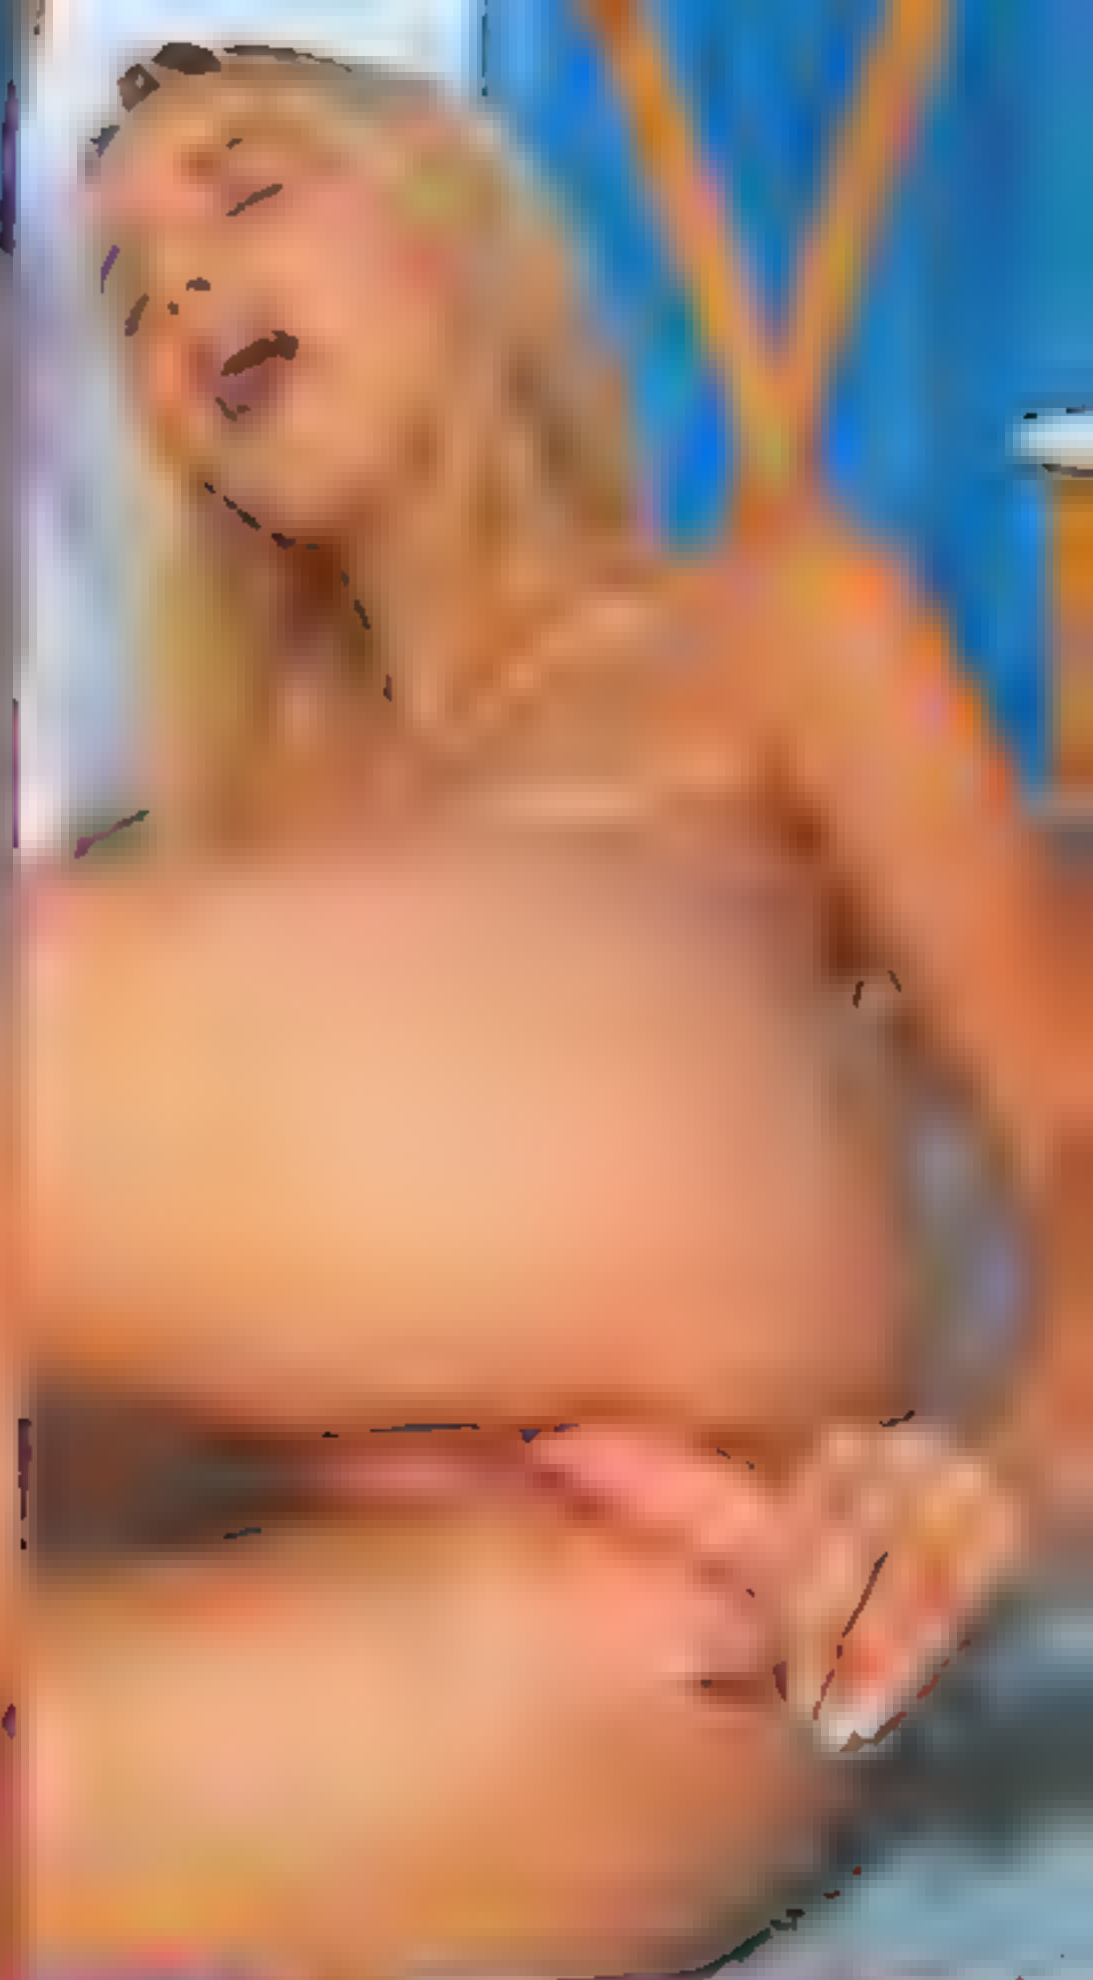

A lot of guys think that just 'cause I'm a total gym fiend and captain of the senior girls varsity volleyball team, I must be a total bitch! But that couldn't be further from the truth! I know I spend a lot of time working out and staying fit, but it's really because my older sister told me that when you're tight and skinny, sex is way better! She should know, 'cause she's totally in shape from yoga and stuff, and I hear her boyfriend fucking the living daylights out of her when he stays over! I like to practice how I would take a cock inside me with this awesome dildo she gave me! Practice makes perfect, and working out makes my body even tighter! So who wins? Whoever I let put his meat in me, that's who!

This hot little volleyball babe needs someone to 'spike' her virginity!

I barely knew Eric, but we were at this graduation party for my friend and were making out in her room! We French kissed, and his hands were like, everywhere! I didn't want to go all the way that night because I only knew him from my history class, but he was cute, so I thought it was all right. He got his hands down my panties, and my pussy was soaking, just like it was when I played with myself, but for some reason, my cunny was aching for something to be inside of it! When Eric slipped two fingers in, I knew I had to have his cock right away, so I unzipped his pants and got his dick all wet with my mouth! It wasn't a blowjob, it was just to get him all slicked up. I sat down on his cock and bounced up and down, each stroke getting him deeper inside me. I didn't feel my cherry break, but I knew it did, and before I knew it, Eric had lost his entire load way inside my cunt! When I got off of him, his load slid right out of my freshly fucked hole and fell onto the carpet next to me. I was so high on my

My first boyfriend was a total muscle-headed jock, and whenever we did it, he would watch himself in the mirror! I thought he was a real egomaniac, but once I started to work out and got all toned and trim, I started to watch myself, too!

I like to see my tight body in action! And now, I also like to see the guy I'm with stick his hot dick in and out of my holes! I like looking in a mirror as I cum and see when he shoots his spuzz all over me! I guess you could say I like to watch, but I'll bet you have even more fun just watching me, huh?!

I met this guy at a fast food restaurant next to the soda machine. He was really cute, and way older than me, like 30, or something! He asked if I wanted to go to a movie, so I said yeah, totally wondering if he was going to try and fuck me. After the movie, we went back to his place, this awesome apartment, and we made out. I was wearing my favorite skirt and he asked if he could look up it. He said he knew it was weird, but he loved to see a girl's panties. I was definitely curious as to what he was going to do, so I let him! I got totally wet, and as I stood there, with my panties completely soaked, I felt him push my cotton whities to the side and stick his fingers in my pussy! Needless to say, we fucked, and it was awesome! Look, don't tell my parents, but I spend a lot of time over his place, letting this "old" guy fuck every hole that I have! I'm glad I let my curiosity get the best of me!
